Appendix C.4.1.1.a. Entry Procedures and Crew Changes

PROCEDURE FOR FISA WORLD CUP & WORLD CHAMPIONSHIP REGATTAS

BEFORE THE EVENT

Entry forms from the Federations must only be sent to the FISA Office.

If, occasionally, the Organising Committee receives Entry forms then the Organising Committee must send a copy immediately to the FISA Office.

After approval, FISA sends copies of all the forms to the FISA Timing & Results Data provider.

Within 2 days after receiving the Entries from FISA, the FISA Timing & Results Data provider prepares the following Forms and sends to FISA for approval.

- Entries by Event (by Federation)
- Entry List by Federation and Event (with names)
- Table of Entries
- Entry List by Event (with names)
- The Racing Timetable

The only official entry list will be the one produced immediately after the closing date for the Entries by the FISA Timing & Results Data provider. No modifications will be made to these lists until after the Draw. The Organising Committee must not produce their own versions of these lists.

Not later than three days after the closing date for entries and after FISA' corrections and approval, the FISA Timing & Results Data provider will send to FISA all the Lists as described in Point 4.

FISA will publish on the FISA Website and will send then the Entry lists as follows:

To the Organising Committee

- Entries by Event (by Federation)
- Entry List by Federation and Event (with names)
- Table of Entries
- Entry List by Event (with names)
- The Racing Timetable

To the Seeding Panel.

- Entries by Event (by Federation)
- Entry List by Federation and Event (with names)
- The Racing Timetable

To National Federations, Council and Commissions and "friends", to the FISA merchandiser:

- Entry List by Event (by Federation)
- The Racing Time Table

To the Media

- Entries by Event (by Federation)
- The Racing Timetable

Between the Entry deadline and the Draw, notification of crew changes should still go to the FISA Office or to the FISA desk in the Accreditation/Athlete registration centre at the venue where the modifications will be collected and numbered. When the Organising Committee receives a Crew Change Form from a Federation then the Organising Committee must immediately submit it to FISA.

If the FISA Office receives late entries or crew changes then they must send the information to the FISA Timing & Results Data provider, to the Seeding Panel and a copy to the OC.

AT THE EVENT

Before the Draw

The Organising Committee is responsible for the distribution of the following information to the Team Managers at their arrival:

- An information list explaining the “Crew Changes” procedures e.g. place, time, responsible person, Form.
- Entries by Event (by Federation)
- Entry List by Federation and Event (with names)
- Table of Entries
- The Racing Timetable

The Organising Committee is responsible for the distribution of the following information to FISA and to the Media at their arrival:

- Entries by Event (by Federation)
- Entry List by Federation and Event (with names)
- Table of Entries
- Entry List by Event (with names)
- The Racing Timetable

All lists are as of the closing date for the Entries – no amendments are included

After the Draw FISA will collect all changes at the FISA regatta office at the regatta venue. There must be a large sign – “Crew Changes” – clearly fixed outside the FISA regatta office.

Every change should be numbered and recorded. Three copies have to be made of every crew change. The original remains in the FISA Regatta Office. One copy is submitted to the FISA Seeding Panel, one copy to the FISA Data Base manager and one copy to the FISA Timing & Results Data provider.

All Crew Change Forms must be signed by the Team Manager.

If the change involves the substitution of a crew member or the complete withdrawal of a crew a copy of the crew change Form shall be submitted directly to the nominated representative of the FISA Umpiring Commission who will be responsible for approving the change.

If the change could effect the composition of the heats or the seeding, the FISA Umpiring Commission representative must consult with the President of the Jury and the representatives of the Seeding Panel. The FISA Umpiring Commission representative will then forward the Form to the FISA Timing & Results Data provider and give instructions if necessary.

In principle the FISA Timing & Results Data provider shall have one contact person from FISA.

At the Draw

The list of Entries by Event (by Federation), as of the closing date for Entries – is used for the Draw.

After the Draw

After the Draw the FISA Timing & Results Data provider produces the following lists:

- Summary Start List

- Start Lists by Event (with names)

- Media Start Lists

All Lists are distributed after FISA' approval.

These lists are distributed by the Organising Committee in accordance with the agreed procedure for the event.

During Racing

The FISA Timing & Results Data provider is responsible for producing:

- After each race – Results Lists

- After all the races of an Event – the Draw for the next stage of the FISA progression system and forwards it to FISA for approval.

- After the last race of a session –

 - Summary Results Lists

 - Summary Start Lists

 - Start Lists by Event

 - Media Start Lists

- After the Semi-finals and Finals – Summary Results Summary by Event

A FISA Umpiring Commission representative (or another delegated member of the FISA Commissions) will check all the Lists produced by the FISA Timing & Results Data provider and will ensure that they are correct.

A FISA Umpiring Commission representative will be responsible for ensuring (by regular checks) that the distribution of all crew changes is working properly in all area of the venue.

The Organising Committee is responsible and co-ordinates with the FISA Timing & Results Data provider for the distribution of all the information throughout the organisation in accordance with an agreed in advance procedure.

- To the Teams

- To the Media

- To FISA, (including the Seeding Panel).

- To the Control Commission and to the Jury

To the OC
Etc.

Changes During Racing

If a change is imposed after the boats have left the launch pontoon for warming up, for example because of:

- Boat damage (delay or postponement of the race)
- Disqualification
- A boat does not appear at the Start
- The race is interrupted by the Umpire
- A boat stops racing and does not finish a race

The respective member of the International Jury (Starter, Umpire) must immediately inform the Judge at the Finish and the FISA Umpiring Commission representative in the Finish Tower.

If the change could effect the seeding, the composition of the heats, repechages, semi-finals or finals, the FISA Umpiring Commission representative must consult with the President of the Jury and the FISA Technical Delegates.

The President of the Jury and the FISA Technical Delegates will then give any necessary instructions.

The FISA representative of the Umpiring Commission in the Finish Tower is then responsible for ensuring that this information is immediately forwarded by the Organising Committee to:

- the Judge at the Finish,
- the Timing/Data processing Officials,
- the Starter,
- the Control Commission (Doping Control, Boat Weighing, Athletes Weighing),

The FISA Representative in the Press Centre who then communicates the information to the Tower Commentators and the Television producer.

The FISA Events Representative in the FISA Office who then communicates the information to the distribution service and any other appropriate person.

The FISA office will immediately prepare an Official Communication concerning the incident and its outcome for formal distribution through the Timing & Results system and on the FISA Website.
